General Summary (Optional)

If desired, please write a brief summary of your section's accomplishments and activities from this past year.

Budget

Please enter your section's budget here, or attach an additional page. Break down income into dues, funding from your University's student government, donations, etc. Break down expenditures for each event (e.g. meeting food, social events, outreach program supplies, etc.).

Please submit this form to the ANS Student Sections Committee
at ssc@ans.org by **May 15** of each year.

To be eligible, your section must complete the forms above in the general Annual Report, have up to date Bylaws and Rules, organize and submit a report on at least one outreach event with enough information for other sections to use, and report an additional event (can be non-outreach) for posting on our website.
