UTILITY ACHIEVEMENT AWARD NOMINATION FORM

This award was established in 1994 to recognize the commercial nuclear power plant(s) that demonstrate outstanding achievements in performance. The criteria are non-specific; but, the achievement may be either sustained outstanding performance or outstanding improvement in performance. Therefore, the nomination must provide supporting details and enough facts for the selection committee to make an informed decision.

The award consists of an engraved plaque that is presented in August each year in conjunction with the ANS UWC. Nominations may be submitted at any time during the year, but should be submitted by March 1 to be considered for the current year. To request more information, contact the UWC Awards Chair.
