### UTILITY LEADERSHIP AWARD NOMINATION FORM

This award was established in 1994 to recognize an individual who has demonstrated outstanding leadership and has contributed greatly to the success of the nuclear power industry. The criteria are non-specific. Therefore, the nomination must provide supporting details and enough facts for the selection committee to make an informed decision.

The award consists of an engraved plaque that is presented in August each year in conjunction with the ANS UWC. Nominations may be submitted at any time during the year, but should be submitted by March 1 to be considered for the current year. To request more information, contact the UWC Awards Chair.
