This Index to Categories is a standardized listing of the products and services, with their code numbers, to be used in the upcoming 15th Annual *Radwaste Solutions* Buyers Guide. The Index will assist you in either (a) filling out a New Company Listing form or (b) adding categories to your existing listing. Products and services are listed alphabetically and are numerically coded.

To add more categories to your listing, simply click on the "Browse Categories" link within the listing page online and check the box next to the appropriate code numbers and product category descriptions and they will be added to your company profile.

New categories - those added since the 2018 Index to Categories - are indicated with a dagger (†). New Company Listings and Verification Forms (for existing listings) must be updated online.

Companies with existing listings will need a unique link in order to access their online listing (look for an e-mail from <rsbg2019@ans.org> with your link, or contact the advertising department today). To create a new listing, go to www.ans.org/advertising/newsrbg.

There is NO CHARGE for a company listing. The deadline to secure a company listing is Monday, August 5, 2019!
